

Sisters of St. Francis

o f M a r y I m m a c u l a t e

Sister Mary Agnes Cross died peacefully on September 17, 2024, the feast of the Stigmata of St. Francis. Being a Franciscan was a desire of her life even in childhood as she admired her parents' connection to nature. Her father, Frank, reminded her of St. Francis when he would get honey from the beehives and none of the bees would harm him. She says, "I would go out and get swarmed by them." Her mother, Agnes, enjoyed cooking the vegetables her dad grew, and she decorated the house with his flowers. Mary Agnes was proud to be a twin to Joseph, her only sibling.

As a young girl, Mary Agnes read *The Perfect Joy of St. Francis* by Felix Timmermans. When she first read it, Francis' love for all creatures resonated with her. Then she read it at various life stages and found deeper meanings in Francis' life each time. More recently she wrote, "The passages that strike me now are: 'Oh, God, how beautiful you have made everything' and 'Life is so simple. The essence of life is love.'"

After twenty years with the Franciscan Sisters of Our Lady of Perpetual Help, Mary Agnes became a member of our Sisters of St. Francis of Mary Immaculate in 1976.

During Mary Agnes' early days in ministry, she taught in elementary schools and then directed Religious Education programs in several parishes. Within her parish ministry, Mary Agnes began another ministry: she dressed up and became "Monsy" the Clown to the delight of both children and adults!

She was called to minister in health care and became a registered Licensed Practical Nurse. She continued her studies and redirected this ministry to serve persons with dementia. One of her favorite ministries was at the Memory and Aging Services at the Dolan Alzheimer Center at Heather Hill in Chardon, Ohio, where she worked with persons with dementia and Alzheimer's disease. There she gave person-centered care where she offered

meaningful service and compassion to each one in her care.

People enjoyed Mary Agnes' communication through emails, phone calls and personal notes, always in color! She simply and honestly expressed her thoughts and feelings. Visiting with Mary Agnes in her retirement years at Our Lady of Angels, Heritage Woods or at St. Patrick's Residence was a joy. In her room was her favorite picture, a photo of her First Communion class. In her deep voice, she would start a conversation or respond to any question by including, "Honey, . . ." While she was feeling better, she would go to other sisters, take a comic strip to entertain them and her office book to pray with them.

During her later years of life, Mary Agnes dealt realistically with many serious health issues. She wrote several things on the inside cover of her well-worn office book including, "Blessed are you, O God, Creator of the universe; enlighten our darkness and guide all humanity to your truth and Eternal Light now and always."

Mary Agnes lived her dream of being a Franciscan. How significant it is that she passed into Eternal Life on a special feast of St. Francis!
